LOCAL Recommendations			
HSE REGION	South	Catchment	North Cork
Date	8 March 2010	Completed by;	
Chapter 10	Recommendation 10.1		

Chapter 10: Child & Adolescent Mental Health Services:

The need to prioritise the full range of mental health care, from primary care to specialist mental health services for children and adolescents is endorsed in this policy.

Recommendation Completion in this Area (Tick Box)

Fully Implemented		Partially implemented	√	Not yet commenced	
--------------------------	--	------------------------------	---	--------------------------	--

Please tick

Please provide supporting factual Information

Additional post filled in Community Psychology but CAMHS WTE'S reduced.
Occupational Therapist prioritised and sent to Central Allocations – not taken up as only 0.5 wte post.
0.5 Snr Clinical Psychologist also sent but no information available as yet

Reason for partial completion / not yet

Economic climate – Senior Occupational Therapist unwilling to take 0.5 post.
Poor communication between central allocations and local services

Completion Date:	Uncertain
-------------------------	-----------

Revised Timescale (commencement and completion dates):	
--	--

Please share the key learning points which have evolved in the implementation of this recommendation

Local Managers excluded from process means that it is no longer possible to combine posts as before
Central Appointments have very short decision time that puts pressure on applicants

Recommend key issues for the consideration of the Independent Monitoring Group

Re-introduce local involvement in allocation of posts.

Thank You

LOCAL Recommendations	
HSE REGION South	Catchment North Cork
Date 8 March 2010	Completed by;
Chapter 10	Recommendation: 10.7

Chapter 10: Child & Adolescent Mental Health Services:

Two child and adolescent CMHTs should be appointed to each sector (population: 100,000). One child and adolescent CMHT should also be provided in each catchment area (300,000 population) to provide liaison cover.

Recommendation Completion in this Area (Tick Box)

Fully Implemented		Partially implemented	√	Not yet commenced	
--------------------------	--	------------------------------	---	--------------------------	--

Please tick

Please provide supporting factual information

Full burdened population indicates need for two teams – only one partial currently
WTE's in North Cork Child & Adolescent Mental Health Service have dropped from
7.2 (2008) to 6.4 (2009/2010) (8.5 Approved).
No extra allocation provided for seeing 16-18 year olds (previously additional 0.5
Basic Grade SW but withdrawn 2009)

Reason for partial completion / not yet

Economic climate: posts not being filled
Centralised appointments.

Completion Date:

Unclear

Revised Timescale

(commencement and completion dates):

--

Please share the key learning points which have evolved in the implementation of this recommendation

Centralised appointments may not be suitable – drop in staff numbers associated with increased waiting times.

Recommend key issues for the consideration of the Independent Monitoring Group

Need to increase staffing.

Vision for Change Independent Monitoring Group Report for Jan 2010

LOCAL Recommendations	
HSE REGION	Catchment
Date	Completed by
Chapter 18	Recommendation 18.11

CHAPTER 18 - Manpower, education and training A personal training and development plan or equivalent should be introduced for all grades of staff in the mental health services. This should help managers set priorities for the use of resources in order to meet common needs more efficiently, organise staff release and target and schedule in-house education and training. In this regard it is also important to make available clear information about routes to employment training and career progression within the mental health service.
