CHAPTER 18 - Manpower, education and training A flexible retirement package should be considered to make the best use of valuable experienced staff. This would enable staff nearing retirement to move into part-time work without reducing pension benefit or to retire while carrying on with full or part-time work. Staff earlier on in their career should be able to take a career break and still contribute to their pension benefits.

Chapter 18	Recommendation 18.11

CHAPTER 18 - Manpower, education and training A personal training and development plan or equivalent should be introduced for all grades of staff in the mental health services. This should help managers set priorities for the use of resources in order to meet common needs more efficiently, organise staff release and target and schedule in-house education and training. In this regard it is also important to make available clear information about routes to employment training and career progression within the mental health service.
